

Who are these workshops for?

- For anyone who wishes to **improve** her/his communication skills, in social, professional and academic settings
- These workshops are particularly useful for professionals, teachers, and students seeking to **enhance** their public speaking capacities, and up-grade the quality of their oral presentations

What do these workshops consist of?

- Two levels: Oral Expression I and Oral Expression II, with the possibility of continuing onto higher levels
- Level I is designed to help you improve the way you present and **express yourself**
- Level II helps you develop the capacity to organize your ideas in order to express them with **clarity, efficiency, and creativity**
- Both Oral Expression I and II consist of four workshops, each workshop lasting approximately two and a half hours
- Each workshop contains both theoretical and practical training, thus offering each individual the opportunity to **put into practice** and concretely integrate the theory that has been learned
- The number of participants does not exceed 6, in order to maximize the **efficiency** of this training technique

Who gives these workshops?

- Mr. Pierre Lemasson is a professional of communication skills, which he has been instructing for the past 10 years
- He is a dynamic and attentive instructor, his aim always being to **awaken the best speaker** in each and every one of his students

How much do the workshops cost?
